DEADLINES

All registration periods end at 10:59 PM CST on the listed date of closing. All registration periods start at 11:00 PM CST the day before the listed date of opening.

WAIT LIST PLAYERS

Wait list placement is determined by the number of available spots in any given age group. Players placed on a wait list are not guaranteed a roster spot on a team, not guaranteed to return to the same team, and not guaranteed to have their buddy request granted. Wait list players will not be charged a registration fee unless they are placed on a team. Fees are determined by date of registration.

LATE REGISTRATION
Registrations completed after the regular registration window closes are subject to an additional fee. Registration windows close at midnight on Eastern Standard Time. Spots are not guaranteed to late registrants.

UNPAID FEES
GSSA reserves the right to cancel any registration that is not paid in full at the time of registration. Any player not in good after registration closes will not be placed on a team and the player will be withdrawn from registration.

REFUNDS
All requests must be received by GSSA in writing via mail or email.

1. Refund requests received during the regular registration period may be granted with a $25 fee deduction.
2. Refund requests received during the late registration period may be granted with a $50 fee deducted.
3. Refund requests received after registration closes will not be honored, except in specific circumstances and may be prorated to account for season progress. Specific circumstances, which must be approved by the adult commissioner, include but are not limited to:

    - Injury
    - Medical condition
    - Relocation

4. Coaches are prohibited from guaranteeing roster spots. Team placement and scheduling conflicts are not acceptable reasons for refund.
